Arfer creadigol ar gyfer dyfodol cynaliadwy

YSTWYTHDER

Llun 21 Mawrth / Galeri / Caernarfon
10am - 5.00pm

Ystwythder yw'r gallu i ddeall newid, ymateb iddo a chael budd ohono. Mae'n rhinwedd a welir mewn ecosystemau naturiol a chymunedau dynol. Mae ystwythder dynol yn tynnu ar ein gallu i ragweld a chynllunio ar gyfer y dyfodol.

Pa rôl all creadigrwydd a'r celfyddydau ei chwarae mewn creu Cymru ystwyth, gynaliadwy?

Cyflwyniadau creadigol gan ymarferwyr ac arbenigwyr, gan gynnwys:
