

Emergence Micro Conference 2012

(very) small is (very) beautiful

Sunday 15th December

95, Rhyddings Terrace, Swansea SA2 0DS

(from breakfast to bedtime)

After the enormity of the Emergence Summit what we can do now but scale it down and bring it all back home? You are invited to be part of the smallest conference in town. This is a chance to reconnect with some of the people and issues from the Emergence Summit on a domestic scale. Take part in discussions, activities, sharing, good company and food. An opportunity to share reflections and developments from ourselves since attending the Emergence Summit.

Please RSVP to Fern and Philip as soon as possible or by 1st December latest fernismith@gmail.com 01792 422728

If you are interested in running an activity please let us know (length of sessions roughly one and a half hours). Maximum amount we can comfortably accommodate is ten people. There will be no cost for attendance but we will ask you to bring food to share.
